<p>慧科資訊</p> <p>WiseSearch</p> <p>By Wisers Information Limited</p>	<p>Searchable Full-text</p>	<p>Published information from Greater China and some "other countries." Hundreds of newspapers, magazines, government and company information etc. Daily updated archive from over 900 sources (Aug. 2010). Contents starts with 1998.</p> <p>Check the box "Search with similar words" so that bilingual terms, abbreviations, and acronyms will be automatically added to keyword search string. Search via WiseSearch by combined keywords, confine searches to a specific time range (max. 5 yrs), to headlines, full-text, or specific sources resp. publications. Double clicking a publication title excludes specific sources. Hit lists can be further "refined" and/or "filtered by source." Full-texts can be viewed online, downloaded or printed and be first collect in a TempFolder for download.</p> <p>Newspaper "Search options," e.g., "Mainland China > Newspaper > China Daily" and then specify year or month.</p> <p>If a search with "and" is actually complete, the references of hits give the publication date (not the number of the issue!) and in most cases also the name the column where the article appeared.</p> <p>A click on the resource title in a hit list or an article reference selects all articles of the respective resource but only those of the most recent month.</p>	<p>Materials/Search: English and Chinese (Tradl. and simpl.). Alphabetical connectors "and", "or", "not", Symbolic connectors "+", "/", "-". Use with quotation marks.</p> <p>Detailed English and Chinese user guide. Short "info" of each resource.</p> <p>Archive.</p> <p>Multiple search tools and options. Use "Search Options".</p> <p>Not allowed: to view a specific issue of a resource page by page or article by article. Hits do not give page number.</p> <p>Image and video package not included. List of all available resources in WiseSearch (05/2017).</p>	<p>1998-Present</p>

User instruction: https://cadal.edu.cn/index/showHelp#	Pre-Modern – Present
E-books				
读秀中文学术搜索 By 读秀	Searchable Full-text, Scanned Original, Biographical Material	3.3 mio. Chinese bibliographic entries; 2.4 million full-text resources: Books, journal articles, conference papers and video clips. Two search modes: 1. 图书 searches in the books metadata (title, author, abstract etc.) and chapter headings; 2. 知识 searches the full texts. Full-text hits show a snippet of the text piece with the search term and allow access to a few pages of the title (阅读部分). Note: Book titles under 图书 labeled with 包库全文 can be read in full online and via the link 图书馆文献传递 you can order a download link. Link will be sent to your email inbox; each link limited to 50 pages download (same logic as in Chinamaxx).	Note: of titles under 图书 labelled with 馆藏纸本, the SBB owns a paper copy. User instruction: https://www.duxiu.com/bottom/help_download.html	1930s-Present

<p>Chinamaxx digital libraries</p> <p>By 超星集团 神州科创技术有限公司</p>	<p>Searchable Full-text, Scanned Original</p>	<p>700.000 Chinese E-Books of different subjects and from different periods. Full-text search is implemented and Books are provided in an online reader format (often providing a table of contents to jump to a certain chapter, allows searches within the book and copy & paste of text passages using the "OCR" tool implemented).</p>	<p>Full-text search also available through Duxiu. PDF download no longer available. But: Alt. access to same material website of Duxiu database (读秀中文学术搜索) where download is available.</p> <p>User instruction: http://www.chinamaxx.net/help/ChinamaxxResume.html</p>	<p>1900-2009</p>
